

## Laurel Springs Gravity Sewer Upgrade

\$3,385,670.00 -Forsyth County, GA

Site Engineering Inc contracted with Forsyth County, Brown, and Caldwell to install approximately 1 mile of existing gravity sanitary sewer with new 18" gravity sewer lines. The existing gravity sewer lined was located within easement behind residential homes, within a golf course, and partly along Laurel Parkway Right-Of-Way. The installation method was pipe-bursting and open-cut trenching, with trenches being backfilled the same day.

Owner: Forsyth County  
Owner Contact: Michael Grinberg (MIGrinberg@forsythco.com)
